

SUBJECT : Art

PROJECT:
Architecture

TERM: Autumn

YEAR GROUP

7 8 **9** 10 11

PROJECT OVERVIEW: Looking at Architecture, students are to design and construct a slab pot.

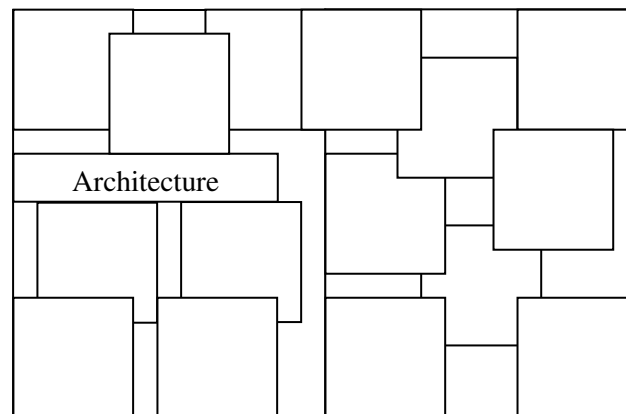

ASSESSMENT

Observational drawings - self or peer assessed

Homeworks - teacher assessed

Overall project - self and teacher assessed

TASK: Collect examples of architecture. These can be a mixture of images from the internet, photocopies from books and photographs taken by you. Your research then needs to be presented in your sketchbook in the form of a moodboard. Your title is 'Architecture'.
